GeneralRules& Directions

 All work proposed for execution by contract will be notified in a form of invitation to tenderpasted in public places and signed by the officer inviting tender or by publication in Newspapersorpostedonwebsiteasthecasemaybe.

This form will state the work to be carried out, as well as the date for submitting and openingtenders and the time allowed for carrying out the work, also the amount of earnest money to be deposited with the tender, and the amount of the security deposit and Performanceguarantee to be deposited by the successful tenderer and the percentage, if any, to bededucted from bills. Copies of the specifications, designs and drawings and any otherdocuments required in connection with the work signed for the purpose of identification by the officer inviting tender shall also be open for inspection by the contractor at the office ofofficerinviting tender during officehours.

- 2. In the event of the tender being submitted by a firm, it must be signed separately by eachpartner thereof or in the event of the absence of any partner, it must be signed on his behalfby a person holding a power-of attorney authorizing him to do so, such power of attorney tobe produced with the tender, and it must disclose that the firm is duly registered under theIndianPartnershipAct, 1952.
- 3. Receipts for payment made on account of work, when executed by a firm, must also besigned by all the partners, except where contractors are described in their tender as a firm, in which case the receipts must be signed in the name of the firm by one of the partners, orbysomeotherpersonhavingdueauthoritytogiveeffectualreceiptsforthefirm.
- 4. Anypersonwhosubmitsatendershallfillupthe usualprintedform, statingatwhat rate he is willing to undertake each item of the work. Tenders, which propose any alteration in thework specified in the said form of invitation to tender, or in the time allowed for carrying outthe work, or which contain any other conditions of any sort, including conditional rebates, will be summarily rejected. No single tender shall include more than one work, but contractorswho wish to tender for two or more works shall submit separate tender for each. Tendershall havethename and number of theworkstowhichthevrefer, written ontheenvelopes.

The rate(s) must be quoted in decimal coinage. Amounts must be quoted in full rupees by ignoring fifty paisa and considering more than fifty paisa as rupee one.

In case the lowest tendered amount (worked out on the basis of quoted rate of Individualitems) of two or more contractors is same, then such lowest contractors may be asked tosubmit sealed revised offer quoting rate of each item of the schedule of quantity for all subsections/sub heads as the case may be, but the revised quoted rate of each item of scheduleof quantity for all sub sections/sub heads should not be higher than their respective originalrate quoted already at the time of submission of tender. The lowest tender shall be decidedonthebasisofrevisedoffer.

ApplicableforItem RateTenderon ly (PSCDL-8)

GENERALRULESANDDIRECTIONS	PSCDL

	If the revised tendered amount (worked out on the basis of quoted rate of individual items)of two or more contractors received in revised offer is again found to be equal, then thelowest tender, among such contractors, shall be decided by draw of lots in the presence of CTOofthe circle, GMin-chargeofmajor& minorcomponent(s)(alsoDDHin caseHorticultureworkis alsoincludedin the tender), GM(P&P)or GM(P)of the circle and the lowest contractors those have quoted equal amount of the intenders.
	In case of any such lowest contractor in his revised offer quotes rate of any item more thantheir respective original rate quoted already at the time of submission of tender, then suchrevised offer shall be treated invalid. Such case of revised offer of the lowest contractor orcase of refusal to submit revised offer by the lowest contractor shall be treated as withdrawalofhis tenderbeforeacceptanceand50% of his earnestmoneyshall beforfeited.
	In case all the lowest contractors those have same tendered amount (as a result of theirquoted rate of individual items), refuse to submit revised offers, then tenders are to berecalledafterforfeiting50% of EMD of each lowest contractors.
	Contractor, whose earnest money is forfeited because of non-submission of revised offer, orquoting higher revised rate(s) of any item(s) than their respective original rate quoted alreadyat the time of submission of his bid shall not be allowed to participate in the retenderingprocessofthe work.
Applicablefor PercentageR ate Tenderonly (PSCDL-7)	4A.ApplicableforPercentageRateTenderonly(PSCDL-7) In case of Percentage Rate Tenders, contractorshall fill up the usual printed form, statingat what percentage below/above (in figures as well as in words) the total estimated costgiven in Schedule of Quantities at Schedule-A, he will be willing to execute the work. Thetendersubmittedshallbetreatedasinvalidif:-
	 The contractordoes not quote percentageabove/belowon the total amount of tender oranysection/subheadofthetender.
	 The percentage above/belowis not quoted in figures & words both on the total amountoftenderoranysection/subheadofthetender.
	 Thepercentagequotedabove/belowisdifferentinfigures&wordsonthetotalamount oftenderoranysection/subheadofthetender.
	Tenders, which propose any alteration in the work specified in the said form of invitation totender, or in the time allowed for carrying out the work, or which contain any other conditions of any sort including conditional rebates, will be summarily rejected. No single tender shallinclude more than one work, but contractors who wish to tender for two or more works shallsubmit separate tender for each. Tender shall have the name and number of the works towhichtheyrefer,writtenontheenvelopes.
	4B.In case the lowest tendered amount (estimated cost <u>+</u> amount worked on the basis ofpercentage above/below) of two or more contractors is same, such lowest contractors willbe asked to submit sealed revised offer in the form of letter mentioning percentage above/below on estimated cost of tender includingall sub sections/subheads as the case maybe, but the revised percentage quoted above/below on tendered cost or on each sub section/ sub head should not be higher than the percentage quoted at the time of cubmication of the section.

In case any of such contractor refuses to submit revised offer, then it shall be treated as with drawal of histender before acceptance and 50% of earnest money shall be for feited.

submission oftender. The lowest tenders hall be decided on the basis of revised offers.

If the revised tendered amount of two more contractors received in revised offer is againfound to be equal , the lowest tender, among such contractors, shall be decided by draw oflotsinthepresenceofCTOofthecircle,GMin-chargeofmajor&minorcomponent(s)

(alsoDDHin

caseHorticultureworkisalsoincludedinthetender), GM(P&P) or GM(P) of the circle & the lowest contractors those have quoted equal amount of the irtenders.

 $\label{eq:linear} In case all the lowest contractors those have quoted same tendered amount, refuse to submit revised of fers, then tenders are to be recalled after for feiting 50\% of EMD of each contractor.$

Contractor(s), whose earnest money is for feited because of non-submission of revised of fer, shall not be allowed to participate in the re-tendering process of the work.

- 5. Theofficerinvitingtenderorhisdulyauthorizedassistant, willopentendersinthepresence ofanyintendingcontractorswhomay bepresentatthetime, and willenter the amounts of these veral tenders in a comparative statement in a suitable form. In the event of a tender being accepted, are ceiptfor the earnest money shall the reup on be given to the contractor who shall the reup on for the purpose of identification sign copies of the specifications and other documents mentioned in Rule-I. In the event of a tender being rejected, the earnest money shall the reup on be returned to the contractor remitting the same, without any interest.
- 6. Theofficerinvitingtendersshallhavetheright ofrejectingalloranyofthetendersandwill notbeboundtoacceptthelowestoranyothertender.

- 9A Useofcorrectingfluid, anywhereintenderdocumentisnotpermitted. Suchtenderisliable forrejection.
- 10. InthecaseofItem RateTenders,onlyratesquotedshallbeconsidered.Anytendercontaining percentagebelow/abovetheratesquotedisliabletoberejected.Ratesquotedbythecontractorinit emratetenderinfiguresandwordsshallbeaccuratelyfilledinsothatthere

isnodiscrepancyintherateswritteninfiguresandwords. However, ifadiscrepancyis found, therateswhichcorrespondwith the amountworked out by the contractors hall unless otherwise proved be taken as correct. If the amount of an item is not worked out by the contractor or it does not correspond with the rates writteneither infigures or inwords, then the rates quoted by the contractor inwords shall be taken as correct. Where the rates quoted by the contractor infigures and inwords tally, but the amount is not worked out correctly, the rates quoted by the contractor will unless otherwise proved be taken as correct and not the amount. In event norate has been quoted for any item (s), leaving space both infigure (s), word (s), and amount blank, it will be presumed that the contractor has included the cost of this/these item (s) in other items and rate for such item (s) will be considered as zero and work will be required to be executed accordingly.

Applicable

for

ItemRateTender only(PSCDL-8)

GENERALRULESANDDIRECTIONS	PSCDL

Applicablefo rpercentage RateTenderonly (PSCDL-7)	10 A. In case of PercentageRate Tenders only percentagequoted shall be considered. Anytender containingitem rates is liable to be rejected.Percentagequoted by the contractorin percentage rate tender shall be accurately filled in figures and words, so that there is nodiscrepancy.
	 In the case of any tender where unit rate of any item/items appear unrealistic, such tenderwill be considered as unbalanced and in case the tenderer is unable to provide satisfactoryexplanation, such atenderisliabletobedisqualified and rejected.
ApplicableforIte mRateTenderonI y(PSCDL- 8)	12. All rates shall be quoted on the tender form. The amount for each item should be worked outand requisite totals given. Special care should be taken to write the rates in figures as well asin words and the amountin figures only, in such a way that interpolation is not possible. Thetotalamountshouldbewritten bothinfiguresandinwords. Incaseoffigures, theword "Rs. "shouldbewrittenbeforethefigureofrupeesandword," Pafterthedecimalfigures, e.g. "Rs. 2.15 P" and in case of words, the word, "Rupees" should precede and the word "Paise" shouldbewrittenattheend. Unless the rate is should precede and the word "only" it should invariably be upto two decimal places. W hile quoting the rate in schedule of quantities, theword, "only" shouldbewrittenclosely following the amount and its hould not bewritten in the next line.
Applicablefor PercentageR ate Tenderonly (PSCDL-7)	12 A. In Percentage Rate Tender, the tenderer shall quote percentage below/above (in figures aswell as in words) at which he will be willing to execute the work. He shall also work out thetotal amount of his offer and the same should be written in figures as well as in words insuch a way that no interpolation is possible. In case of figures, the word "Rs." should bewritten before the figure of rupees and word "P" after the decimal figures, e.g. "Rs. 2.15Pand in case of words, the word "Rupees" should precede and the word "Paisa" should bewrittenattheend.
	13. (i)The Contractor whose tender is accepted, will be required to furnish performanceguarantee of 5% (Five Percent) of the tendered amount within the period specified inSchedule F. This guarantee shall be in the form of cash (in case guarantee amount isless than Rs. 10,000/-)or Depositat call receiptofany scheduledbank/Banker"scheque of any scheduled bank/Demand Draft of any scheduled bank/Pay order of anyscheduled bank (in case guarantee amount is less than Rs. 1,00,000/-) or GovernmentSecuritiesor FixedDeposit Receiptsor GuaranteeBonds of any ScheduledBank ortheStateBankofIndiainaccordancewiththeprescribedform.
	(ii)The contractor whose tender is accepted will also be required to furnish by way ofSecurity Deposit for the fulfillmentof his contract, an amountequal to 2.5% of thetendered value of the work. The Security deposit will be collected by deductions fromthe running bills as well as final bill of the contractor at the rates mentioned above. TheSecurity amount will also be accepted in cash or in the shape of Government Securities. Fixed Deposit Receipt of a Scheduled Bank or State Bank of India will also be acceptedforthispurposeprovidedconfirmatoryadviceisenclosed.
	14. On acceptance of the tender, the name of the accredited representative(s) of the contractorwho would be responsiblefor takinginstructionsfrom the Engineer-in-Chargeshall becommunicatedinwritingtothe Engineer-in-Charge.
	15. Sales-tax/VAT(except servicetax), purchasetax, turnover tax or any other tax applicablein respect of this contract shall be payable by the contractor and Governmentwill notentertain any claim whatsoeverin respect of the same. In respect ofservicetax, sameshall be paid by the contractor to the concerned department on demand and it will bereimbursed to him by the Engineer-in-Charge after satisfying that it has been actually andgenuinelypaidbythecontractor.

GENERALRULESANDDIRECTIONS	PSCDL

- 16. The contractor shall give a list of both gazetted and non-gazetted PSCDL. employeesrelatedtohim.
- 17. CLAUSESOFCONTRACT

CLAUSE1

Performanc eGuarantee

- The contractor shall submit an irrevocable Performance Guarantee of 5% (Five (i) percent)of the tendered amount in addition to other deposits mentioned elsewhere in the contractfor his proper performance of the contract agreement, (not withstanding and/or withoutprejudice to any other provisions in the contract) within period specified in Schedule "F"from the date of issue of letter of acceptance. This period can be further extended by the Engineer-in-Chargeup to a maximumperiod as specified in schedule, F" on writtenrequest of the contractorstating the reason for delays in procuring the PerformanceGuarantee, to the satisfaction of the Engineer-in-Charge. This guarantee shall be in theform of Cash (in case guarantee amount is less than Rs. 10,000/-) or Deposit at Callreceipt of any scheduled bank/Banker"s Cheque of any scheduled bank/Demand Draft ofany scheduledbank/Pay Order of any scheduledbank (in case guaranteeamountisless than Rs. 1,00,000/-) or Government Securities or Fixed Deposit Receipts or GuaranteeBonds of any Scheduled Bank or the State Bank of India in accordance with the formannexed hereto. In case a fixed deposit receipt of any Bank is furnished by the contractorto the Government as part of the performance guarantee and the Bank is unable to makepayment against the said fixed deposit receipt, the loss caused thereby shall fall on the contractor and the contractor shall forthwith on demand furnish additional security to the Governmenttomakegood the deficit.
- (ii) The Performance Guarantee shall be initially valid up to the stipulated date of completionplus 60 days beyond that. In case the time for completion of work gets enlarged, the contractor shall get the validity of Performance Guarantee extended to cover such enlargedtime for completion of work. After recording of the completion certificate for the work bythe competent authority, the performance guarantee shall be returned to the contractor, without any interest. However, in case of contracts involving maintenance of building and services/anyother work after construction of same building and services/otherwork, then 50% of Performance Guarantee shall be retained as Security Deposit. The sameshallbereturnedyearwiseproportionately.
- (iii) The Engineer-in-Chargeshallnot makea claimunderthe performanceguaranteeexceptforamountstowhichthePSCDLisentitledunderthecontract(not withstandingand/orwithoutprejudicetoanyotherprovisionsinthecontractagreement)intheev entof:
 - (a) Failure by the contractor to extend the validity of the Performance Guarantee asdescribed herein above, in which event the Engineer-in-Chargemay claim the fullamountofthePerformanceGuarantee.
 - (b) Failure by the contractor to pay PSCDL any amount due, either as agreed by thecontractor or determined under any of the Clauses/Conditions of the agreement, within 30daysoftheserviceofnoticetothiseffectbyEngineer-in-Charge.
- (iv) In the event of the contract being determined or rescinded under provision of any of theClause/Conditionof the agreement, the performance guarantee shall stand forfeited infullandshallbeabsolutelyatthedisposalofthePSCDL.

CLAUSE1A

The person/personswhose tender(s) may be accepted (hereinaftercalled the contractor)shall permit Government at the time of making any payment to him for work done under thecontract to deduct a sum at the rate of 2.5% of the gross amount of each running and final billtill the sum deductedwill amount to security deposit of 2.5% of the tendered value of thework.SuchdeductionswillbemadeandheldbyGovernmentbywayofSecurityDeposit

13

it

Recovery ofSecurityDepos

CLAUSESOFCONTRACT	PSCDL

unless he/they has/have deposited the amount of Security at the rate mentioned above incash or in the form of Government Securities or fixed deposit receipts. In case a fixed depositreceipt of any Bank is furnished by the contractor to the Government as part of the securitydeposit and the Bank is unable to make payment against the said fixed deposit receipt, theloss caused thereby shall fall on the contractor and the contractor shall forthwith on demandfurnishadditionalsecurityto the Governmenttomakegoodthedeficit.

All compensations or the other sums of money payable by the contractor under the terms ofthis contract may be deducted from, or paid by the sale of a sufficient part of his securitydeposit or from the interest arising therefrom, or from any sums which may be due to or maybecome due to the contractor by Government on any account whatsoever and in the event ofhis Security Deposit being reduced by reason of any such deductionsor sale as aforesaid, the contractor shall within 10 days make good in cash or fixed depositreceipt tenderedbythe State Bank of India or by Scheduled Banks or Government Securities (if deposited formore than 12 months) endorsed in favour of the Engineer-in-Charge, any sum or sums which may have been deducted from, or raised by sale of his security deposit or any part thereof. The security deposit shall be collected from the running bills and the final bill of the contractoratthe ratesmentionedabove.

The security deposit as deducted above can be released against bank guarantee issued by a scheduled bank, on its accumulationsto a minimum of Rs. 5 lac subject to the conditionthat amount of such bank guarantee, except last one, shall not be less than Rs. 5lac.Providedfurtherthatthevaliditvofbankguaranteeincludingtheonegivenagainsttheearnestm oney shall be in conformity with provisions contained in clause 17 which shall be extendedfrom time to time depending upon extension of contract granted under provisions of clause 2andclause5.

In case of contracts involving maintenanceof building and services/anyother work afterconstruction of same building and services/other work, then 50% of Performance GuaranteeshallberetainedasSecurityDeposit.Thesameshallbereturnedyearwiseproportionatel у.

Note-1: Government papers tendered as security will be taken at 5% (five per cent) below itsmarket price or at its face value, whichever is less. The market price of Government paperwould be ascertained by the Divisional Officer at the time of collection of interest and theamountof interestto the extent of deficiencyin value of the Governmentpaper will be withheldifnecessary.

Note-2: Government Securities will include all forms of Securities mentioned in Rule No. 274of the G.F. Rules except fidelity bond. This will be subject to the observance of the conditionmentionedunderthe ruleagainsteachformofsecurity.

or reward for doing or forbearing to do or for having done or forborne to do any act inrelationtotheobtainingorexecutionofthisoranyothercontractforGovernment.

- (vi) If the contractor shall enter into a contract with Government in connection with whichcommission has been paid or agreed to be paid by him or to his knowledge, unless theparticularsofany such commissionandthe terms ofpaymentthereofhavebeenpreviouslydisclosedinwritingtothe Engineer-in-Charge.
- (vii) If the contractor had secured the contract with Government as a result of wrong tenderingor other non-bonafide methods of competitive tendering or commits breach of IntegrityAgreement.
- (viii) If the contractor being an individual, or if a firm, any partner thereof shall at any time beadjudged insolvent or have a receiving order or order for administration of his estatemade against him or shall take any proceedings for liquidation or composition (otherthan a voluntary liquidation for the purpose of amalgamation or reconstruction)underany Insolvency Act for the time being in force or make any conveyance or assignment ofhis effects or composition or arrangement for the benefit of his creditors or purport so todo, or if any application be made under any Insolvency Act for the time being in force forthe sequestration of his estate or if a trust deed be executed by him for benefit of hiscreditors.
- (ix) If the contractor being a company shall pass a resolution or the court shall make anorder that the company shall be wound up or if a receiver or a manager on behalf of acreditor shall be appointed or if circumstances shall arise which entitle the court or thecreditor to appoint a receiver or a manager or which entitle the court to make a windinguporder.
- (x) If the contractor shall suffer an execution being levied on his goods and allow it to becontinuedforaperiodof21days.
- (xi) If the contractor assigns, transfers, sublets (engagementof labour on a pieceworkbasis or of labour with materials not to be incorporated in the work, shall not be deemedto be subletting) or otherwise parts with or attempts to assign, transfer, sublet or otherwiseparts with the entire works or any portion thereof without the prior written approval of theEngineer-in-Charge.

When the contractor has made himself liable for action under any of the cases aforesaid, the Engineer-in-ChargeonbehalfofthePresidentofIndiashall havepowers:

- (a) To determine the contract as aforesaid (of which terminationnotice in writing to thecontractor under the hand of the Engineer-in-Charge shall be conclusive evidence). Uponsuch determination, the Security Deposit already recovered and Performance Guaranteeunder the contract shall be liable to be forfeited and shall be absolutely at the disposal oftheGovernment
- (b) After giving notice to the contractor to measure up the work of the contractor and to takesuch whole, or the balance or part thereof, as shall be un-executed out of his hands andto give it to another contractor to complete the work. The contractor, whose contract isdetermined as above, shall not be allowed to participate in the tendering process for thebalancework.

In the event of above courses being adopted by the Engineer-in-Charge, the contractor shallhave no claim to compensationfor any loss sustainedby him by reasonsof his havingpurchased or procured any materials or entered into any engagements or made any advances on account or with a view to the execution of the work or the performance of the contract. Andin case action is taken under any of the provisionaforesaid,the contractorshall not beentitledtorecoverorbepaidanysumforanyworkthereoforactuallyperformedunderthis

CLAUSESOFCONTRACT	PSCDL

contract unless and until the Engineer-in-Chargehas certified in writing the performance of such work and the value payablein respect thereof and he shall only be entitled to be paidthevalueso certified.

CLAUSE3A

In case, the work cannot be started due to reasons not within the control of the contractorwithin 1/8th of the stipulated time for completion of work or one month whichever is higher, either party may close the contract. In case contractor wants to close the contract, he shallgive notice to the department stating the failure on the part of department. In such eventuality, the Performance Guarantee of the contractor shall be refunded within following time limit s:

- (i) If the Tendered value of work is up to Rs. 45 lac: 15 days.
- (ii) If the Tendered value of work is more than Rs. 45 lacandup to Rs. 2.5 Crore : 21 days.
- (iii) If the Tendered value of work exceeds Rs. 2.5 Crore:

30days.

If Performance Guarantee is not released within prescribed time limit, then a simple interest@ 0.25% per month shall be payable on Performance Guarantee amount to the contractorfromthedateofexpiryofprescribedtimelimit.

A compensation for such eventuality, on account of damages etc. shall be payable @ 0.25% oftenderedamountsubjecttomaximumlimitofRs.10lacs.

CLAUSE4

In any case in which any of the powers conferred upon the Engineer-in-Chargeby Clause-3thereof, shall have become exercisable and the same are not exercised, the nonexercisethereof shall not constitute a waiver of any of the conditions hereof and such powers shallnotwithstandingbe exercisablein the event of any future case of default by the contractorand the liability of the contractor for compensation shall remain unaffected. In the event of the Engineer-in-Charge putting in force all or any of the powers vested in him under the precedingclause he may, if he so desires after giving a notice in writing to the contractor, take possession of (or at the sole discretion of the Engineer-in-Charge which shall be final and binding on thecontractor) use as on hire (the amount of the hire money being also in the final determination of the Engineer-in-Charge) all or any tools, plant, materials and stores, in or upon the works, or the site thereof belonging to the contractor, or procured by the contractor and intended tobe used for the execution of the work/or any part thereof, paying or allowing for the same inaccount at the contract rates, or, in the case of these not being applicable, at current marketrates to be certified by the Engineer-in-Charge, whose certificate thereof shall be final, andbinding on the contractor, clerk of the works, foreman or other authorized agent to removesuch tools, plant, materials, or stores from the premises (within a time to be specifiedinsuchnotice)andin the eventof the contractorfailingto comply with any such requisition,theEngineer-in-Chargemay remove themat the contractor "sexpenseor sell thembyauction or private sale on account of the contractorand his risk in all respectsand thecertificateoftheEngineer-in-Chargeas to the expensesofany such removaland theamountof theproceedsandexpensesofany suchsaleshall be finalandconclusiveagainst the contractor.

CLAUSE5

The time allowed for execution of the W orks as specified in the Schedule, F^{*} or the extended time in accordance with these conditions shall be the essence of the Contract. The execution of the works shall commence from such time period as mentioned in schedule " F^{*} " or from the date of handing over of the site which everis later. If the Contractor commits default incommencing the execution of the work as aforesaid, Government shall without prejudice to any other right or remedy available in law, be at liberty to forfeit the performance guarantee absolutely.

in-Chargeand the contractor or their representatives in token of their acceptance. If the contractor objects to any of the measurements recorded, a note shall be made to that effect with reasonand signed by both the parties.

If for any reason the contractor or his authorized representative is not available and the workof recording measurements is suspended by the Engineer-in-Chargeor his representative, the Engineer-in-Charge and the Department shall not entertain any claim from contractor forany loss or damages on this account. If the contractor or his authorized representative doesnot remain present at the time of such measurements after the contractor or his authorized representative has been given a notice in writing three (3) days in advance or fails

countersignortorecordobjectionwithinaweekfromthedateofthemeasurement,thensuchmeasure mentsrecordedin his absence by the Engineer-in-Chargeor his representativeshallbedeemedtobeacceptedbytheContractor.

The contractor shall, without extra charge, provide all assistance with every appliance, labourandotherthingsnecessaryformeasurementsandrecordinglevels.

Except where any general or detailed description of the work expressly shows to the contrary, measurements shall be taken in accordance with the procedure set forth in the specifications notwithstanding any provision in the relevant Standard Method of measurementor any generalor local custom. In the case of items which are not covered by specifications, measurements shall be taken in accordance with the relevant standard method of measurement issued by the Bureau of Indian Standards and if for any item no such standard is available, then amutually agreed method shall be followed.

The contractor shall give, not less than seven days" notice to the Engineer-in-Chargeor hisauthorized representative charge of the work, before coveringup or otherwise placingbeyond the reach of measurement any work in order that the same may be measured and correct dimensions thereof be taken before the same is covered up or placed beyond thereach of measurement and shall not cover up and place beyond reach of measurement anywork without consent in writing of the Engineer-in-Charge or his authorized representative incharge of the work who shall within the aforesaidperiod of seven days inspect the work, andif any work shall be covered up or placed beyond the reach of measurements without suchnotice having been given or the Engineer-in-Charge"s consent being obtained in writing, thesame shall be uncovered at the Contractor"s expense, or in default thereof no payment orallowanceshall bemadeforsuchworkor thematerialswithwhichthesamewas executed.

Engineer-in-Charge or his authorized representative may cause either themselves or throughanother officer of the department check the measurementsrecorded jointly or otherwiseas aforesaid and all provisions stipulatedherein above shall be applicable to such checkingofmeasurementsorlevels.

It is also a term of this contract that recording of measurements of any item of work in themeasurementbook and/or its paymentin the interim, on account or final bill shall not beconsidered as conclusive evidence as to the sufficiency of any work or material to which itrelates nor shall it relieve the contractor from liabilities from any over measurement or defectsnoticedtillcompletionofthedefectsliabilityperiod.

Computerized Measurement Book

CLAUSE 6A

Engineer-in-

Chargeshall, except as otherwise provided, as certain and determine by measurement the value of w ork done in accordance with the contract.

All measurements of all items having financial value shall be entered by the contractor andcompiled in the shape of the Computerized Measurement Book having pages of A-4 size asper the format of the departmentso that a complete record is obtained of all the items ofworks performed under the contract. Whenever bill is due for payment, the contractor would initially submit draft computerized measurement sheets and these measurements would be got checked/test checked from the Engineer-in-Charge and / or his authorized representative. The contractor will, thereafter, incorporate such changes as may be done during these checks/testchecks in his draft computerized measurements, and submit to the department a computerized measurement book, duly bound, and with its pages machine numbered. The Engineer-in-Charge and/or hisauthorized representative would thereafter check this MB, and record the necessary certificates for the inchecks/testchecks.

The final, fair, computerized measurement book given by the contractor, duly bound, with itspages machine numbered, should be 100% correct, and no cutting or over-writingin themeasurements would thereafter be allowed. If at all any error is noticed, the contractor shallhave to submit a fresh computerized MB with its pages duly machine numbered and bound, after getting the earlier MB cancelled by the department. Thereafter, the MB shall be taken inthe Divisional Office records, and allotted a number as per the Register of ComputerisedMBs. This should be done before the corresponding bill is submitted to the Division Office forpayment. The contractor shall submit two spare copies of such computerized MB^ws for

the purpose of reference and record by the various of ficers of the department.

The contractor shall also submit to the department separately his computerized Abstract ofCost and the bill based on these measurements, duly bound, and its pages machine numberedalong with two spare copies of the "bill. Thereafter, this bill will be processed by the DivisionOffice and allotted a number as per the computerized record in the same way as done for themeasurementbookmeantformeasurements.

The contractor shall, without extra charge, provide all assistance with every appliance, labourand other things necessary for checking of measurements/levels by the Engineer-in-Chargeorhisrepresentative.

Except where any general or detailed description of the work expressly shows to the contrary, measurements shall be taken in accordance with the procedure set forth in the specifications notwithstanding any provision in the relevant Standard Method of measurementor any generalor local custom. In the case of items which are not covered by specifications, measurements shall be taken in accordance with the relevant standard method of measurement issued by the Bureau of Indian Standards and if for any item no such standardis available then amutually agreed method shall befollowed.

The contractor shall give not less than seven days" notice to the Engineer-in-Chargeor hisauthorized representative in charge of the work before covering up or otherwise placing beyondthe reach of checking and/or test checking the measurement of any work in order that thesame may be checked and/or test checked and correct dimensions thereof be taken beforethesame seven days coveredupor

placedbeyondthereachofcheckingand/ortestcheckingmeasurementand shall not cover up and place beyond reach of measurementany workithout consent in writing of the Engineer-in-Charge or his authorized representative in chargeofthe workwhoshallwithintheaforesaidperiodofsevendaysinspectthework, and if any

CLAUSESOFCONTRACT	PSCDL

work shall be coveredup or placed beyondthe reach of checkingand/ortest checkingmeasurements without such notice having been given or the Engineer-in-Charge"sconsentbeing obtained in writing the same shall be uncovered at the Contractor"s expense, or indefault thereof no payment or allowance shall be made for such work or the materials withwhichthesamewasexecuted.

Engineer-in-Charge or his authorized representative may cause either themselves or throughanother officer of the department to check the measurements recorded by contractor and allprovisions stipulated herein above shall be applicable to such checking of measurements orlevels.

It is also a term of this contract that checking and/or test checking the measurements of anyitem of work in the measurement book and/or its payment in the interim, on account of finalbill shall not be considered conclusive vidence to the sufficiency of any work ormaterial to which it relates nor shall it relieve the contractor from liabilities from any overmeasurementor defects noticed till completion of the defects liability period.

CLAUSE7

No payment shall be made for work, estimated to cost Rs. Twenty thousand or less till afterthe whole of the work shall have been completed and certificate of completion given. Forworks estimated to cost over Rs. Twenty thousand, the interim or running account bills shallbesubmittedby thecontractorfortheworkexecutedon thebasisofsuchrecordedmeasurements on the format of the Department in triplicate on or before the date of everymonth fixed for the same by the Engineer-in-Charge. The contractor suchinterimpaymentifthe entitled shall not he tohe paidany grossworkdonetogetherwithnetpayment/adjustmentof advances for material collected, if any, since the last such paymentis lessthan the amount specified in Schedule "F", in which case the interim bill shall be prepared on he appointed date of the month after the requisite progress is achieved. Engineer-in-Chargeshall arrange to have the bill verified by taking or causing to be taken, where necessary, thereguisite measurements of the work. In the event of the failure of the contractor to submit thebills, Engineer-in-Charge shall prepare or cause to be prepared such bills in which event noclaims whatsoeverdue to delays on paymentincludingthat of interest shall be payable to the contractor. Payment on account of amount admissible shall be made by the Engineer-in-Charge certifying the sum to which the contractor is considered entitled by way of interimpayment at such rates as decided by the Engineer-in-Charge. The amount admissible shallbe paid by 10th working day after the day of presentation of the bill by the Contractor to the Engineer-in-Chargeor his Asstt. Engineertogetherwith the accountof the materialissuedby thedepartment,or dismantledmaterials, ifany. In the case of worksouts idethe headquarters of the Engineer- in-Charge, the period of ten working days will be extended tofifteen workingdays. In case of in paymentofintermediatebills after 45 days of submission of bill by the delav contractorprovided the bill submitted by the contractor found to bein order, a simple interest @ 7.5% per annum shall be paid to the contractor from the date of expiry of prescribed time limit which will be compounded on yearly basis.

All such interim payments shall be regarded as payment by way of advances against finalpayment only and shall not preclude the requiring of bad, unsound and imperfect or unskilledwork to be rejected, removed, taken away and reconstructed or re-erected. Any certificategiven by the Engineer-in-Charge relating to the work done or materials delivered forming partof such payment, may be modified or corrected by any subsequent such certificate(s) or bythe final certificateand shall not by itself be conclusiveevidence that any work or materials to which it relates is/are in accordance with the contract and specifications. - (iii) The Departmentdo not guarantee to maintain uninterrupted supply of water and it will beincumbenton the contractor(s)to makealternativearrangementsfor water at his/ theirown cost in the event of any temporary break down in the Governmentwater main so thatthe progressof his/theirwork is notheld up for wantof water.No claim of damageorrefundofwaterchargeswillbeentertainedonaccountofsuch breakdown.

CLAUSESOFCONTRACT	PSCDL

Alternatewaterarr angements	 CLAUSE32 W here there is no pipedwater supply arrangementand the water is taken by the contractor from the wells or hand pump constructed by the Government, no chargeshall be recovered from the contractor on that account. The contractor shall, however, draw water at such hours of the day that it does not interfere with the normal use for which the handpumps and wells are intended. He will also be responsible for all damage and abnormal repairs arising out of his use, the cost of which shall be recoverable from him. The Engineer-in-Chargeshall be the final authority to determine the cost recoverable from the contractor.
	(ii) Thecontractorshallbeallowedtoconstructtemporarywellsin Government landfor takingwaterfor constructionpurposesonly after hehasgotpermissionoftheEngineer-in- Chargeinwriting.Nochargesshallberecoveredfromthecontractoronthisaccount,butthecontr actorshallberequiredtoprovidenecessarysafetyarrangementsto avoid anyaccidentsordamageto adjacentbuildings,roadsandservicelines.He shall be responsiblefor any accidentsor damagecauseddue toconstructionandsubsequentmaintenanceofthewellsandshallrestorethegroundtoitsorigin alconditionafterthewellsaredismantledoncompletionofthework.
Return of Surplusmaterials	CLAUSE33 Notwithstandinganythingcontainedto the contraryin this contract,whereany materialsfor the executionofthe contractareprocuredwith theassistanceofGovernmenteitherby issue from Governmentstocks or purchase made under orders or permits or licencesissuedby Government,thecontractorshallholdthesaidmaterialseconomicallyandsolelyforthepurposeofth econtractandnotdisposeofthemwithoutthewrittenpermissionofthe Governmentandreturn,ifrequiredby theEngineer-in-Charge,allsurplusor unserviceablematerialsthat may be left with him after the completionof thecontractor at its terminationfor any reason whatsoeveron beingpaid or creditedsuchpriceas the Engineer-in-Charge shalldeterminehavingdueregardto the conditionofthe materials.The price allowedto the contractorhowevershall not exceed the amountcharged to him excluding the element of storage charges. The decision of the Engineer-in-Chargeshall be final and conclusive.In the eventof breach of the aforesaidcondition,thecontractorshallin additiontothrowinghimselfopentoactionfor contraventionofthetermsofthelicenceorpermitand/orforcriminalbreachoftrust,beliabletoGovern mentfor all moneys,advantagesor profits resulting or which in the usual coursewouldhaveresultedtohimbyreasonofsuchbreach.
HireofPlant&M achinery	 CLAUSE34 (i) The contractor shall arrange at his own expense all tools, plant, machinery and equipment (hereinafter referred to as T&P) required for execution of the work except for the Plant &Machinery listed in Schedule "C" and stipulated for issue to the contractor. If the contractorrequires any item of T&P on hire from the T&P available with the Government over andabove the T&P stipulated for issue, the Governmentwill, if such item is available,hire itto the contractor at rates to be agreed upon between him and the Engineer-in-Charge. Insuch a case, all the conditionshereunder for issue of T&P shall also be applicable tosuchT&Pasisagreedtobeissued. (i) Plant and Machinery when supplied on hire charges shown in Schedule "C" shall bemadeoverandtakenbackatthedepartmentalequipmentyard/shedshowninSchedule "C" and the contractor shall bear the cost of carriage from the place of issue to the site ofwork and back. The contractor shall be responsible to return the plant and machinerywith condition in which it was handed over to him, and he shall be responsible for alldamage ausedtothes aidplantandmachinery atthesiteofwork orelesewherein

for all damage caused to the said plant and machinery at the site of work or else where in

CLAUSESOFCONTRACT	PSCDL

operation and otherwise during transit including damage to or loss of plant and for allosses due to his failure to return the same soon after the completion of the work forwhich it was issued. The Divisional Engineer shall be the sole judge to determine theliability of the contractor and its extent in this regard and his decision shall be final andbindingon the contractor.

- (iii) The plant and machinery as stipulated above will be issued as and when available and ifrequired by the contractor. The contractor shall arrange his programme of work accordingtotheavailabilityoftheplantandmachineryandnoclaim,whatsoever,willbeentertain edfromhimforanydelayinsupplybytheDepartment.
- (iv) Thehirecharges shallberecoveredattheprescribedratesfromandinclusiveofthedatethe plant and machinery made over upto and inclusive of the date of the return in goodorder even though the same may not have been working for any cause except majorbreakdown due to no fault of the contractor or faulty use requiring more than three workingdays continuously (excluding intervening holidays and Sundays) for bringing the plant inorder. The contractor shall immediatelyintimate in writing to the Engineer-in-Chargewhen any plant or machinery gets out of order requiring major repairs as aforesaid. TheEngineer-in-Charge shall record the date and time of receipt of such intimation in the logsheet of the plant or machinery. Based on this if the breakdown before lunch period ormajor breakdown will be computed consideringhalf a day"s breakdown on the day ofcomplaint. If the breakdown occurs in the post lunch period of major breakdown will becomputedstarting from the next workingday. In case of any disputeunder this clause, thedecisionoftheSuperintendingEngineershallbefinalandbindingonthecontractor.
- (v) The hire charges shown above are for each day of 8 hours (inclusive of the one hour lunchbreak)orpart thereof.
- (vi) Hire charges will include service of operating staff as required and also supply of lubricatingoil and stores for cleaning purposes. Power fuel of approved type, firewood, kerosene oiletc. for running the plant and machinery and also the full time chowkidar for guarding theplant and machineryagainstany loss or damageshall be arrangedby the contractorwho shall be fully responsible for the safeguard and security of plant and machinery. Thecontractorshall on or before the supply of plantand machinerysign an agreementindemnifyingthe Departmentagainstanyloss or damagecausedto the plantandmachineryeitherduringtransitoratsiteofwork.
- (vii) Ordinarily,noplantandmachineryshallworkformorethan8hoursadayinclusiveofonehour lunch break. In case of an urgent work however, the Engineer-in-Charge may, at hisdiscretion, allow the plant and machinery to be worked for more than normal period of 8hours a day. In that case, the hourly hire charges for overtime to be borne by the contractorshall be 50% more than the normal proportionatehourly charges (1/8th of the dailycharges) subject to a minimum of half day"s normal charges on any particular day. Forworking out hire charges for over time, a period of half an hour and above will be charged as onehourandaperiodoflessthanhalfanhourwillbeignored.
- (viii) The contractor shall release the plant and machinery every seventh day for periodicalservicingand/orwashoutwhichmaytakeabout threetofourhoursormore.Hirechargesfor full day shall be recovered from the contractorfor the day of servicing/wash outirrespectiveofthe periodemployedinservicing.
- (ix) The plant and machinery once issued to the contractor shall not be returned by him onaccount of lack of arrangementsof labour and materials,etc. on his part, the same willbe returned only when they are required for major repairs or when in the opinion of theEngineer-in-Charge,the work or a portion of work for which the same was issued iscompleted.

hereinafterreferredtoasthe"Contract".

AND WHEREAS the Principal/Ownervalues full compliance with all relevant laws of the land, rules, regulations, economicuse of resources and of fairness/transparency inits relation with its Bidder(s) and Contractor(s).

AND W HEREASto meet the purpose aforesaidboth the parties have agreed to enter into this IntegrityAgreement(hereinafterreferred to as "Integrity Pact" or "Pact"), the terms and conditions of which shall alsobereadasintegralpartandparceloftheTender/BiddocumentsandContractbetweentheparties.

NOW, THEREFORE, in consideration of mutual covenants contained in this Pact, the parties hereby agree asfollows and this Pact witness es as under:

Article1:CommitmentofthePrincipal/Owner

- (1) The Principal/Owner commits itself to take all measures necessary to prevent corruption and to observethefollowingprinciples:
 - (a) No employee of the Principal/Owner, personally or through any of his/her family members, will inconnection with the Tender, or the execution of the Contract, demand, take a promise for or accept, forselforthird person, any material or immaterial benefit which the person is not legally entitled to.
 - (b) The Principal/Owner will, during the Tender process, treat all Bidder(s) with equity and reason. ThePrincipal/Owner will, in particular, before and during the Tender process, provide to all Bidder(s) thesame information and will not provide to any Bidder(s) confidential / additional information throughwhich the Bidder(s) could obtain an advantagein relation to the Tender process or the Contractexecution.

INTEGRITYPACT	PSCDL

- (c) The Principal/Owner shall endeavour to exclude from the Tender process any person, whose conduct inthepasthasbeen ofbiasednature.
- (2) If the Principal/Owner obtains information on the conduct of any of its employees which is a criminal offenceunder the Indian Penal code (IPC)/Prevention of Corruption Act, 1988 (PC Act) or is in violation of the principlesherein mentioned or if there be a substantive suspicion in this regard, the Principal/Owner will inform the ChiefVigilance Officer and in addition can also initiate disciplinary actions as per its internal laid down policies andprocedures.

Article2:CommitmentoftheBidder(s)/Contractor(s)

- (1) It is required that each Bidder/Contractor(including their respective officers, employees and agents) adhereto thehighestethicalstandards, and report to the Government/ Departmentall suspected acts offraudor corruption or Coercion or Collusion of which it has knowledge or becomes aware, during the tenderingprocessand throughout the negotiation or award of a contract.
- (2) The Bidder(s)/Contractor(s)commits himselfto take all measuresnecessary to prevent corruption. Hecommits himself to observe the following principles during his participation in the Tender process and during theContractexecution:
 - (a) The Bidder(s)/Contractor(s)will not, directly or through any other person or firm, offer, promise or give toany of the Principal/Owner^s employees involved in the Tender process or execution of the Contract or toany third person any material or other benefit which he/she is not legally entitled to, in order to obtain inexchange any advantage of any kind whatsoever during the Tender process or during the execution of theContract.
 - (b) The Bidder(s)/Contractor(s)will not enter with other Bidder(s) into any undisclosed agreement or understanding,whether formal or informal. This applies in particular to prices, specifications, certifications,subsidiarycontracts, submission or non-submission of bids or any other actions to restrict competitivenessor tocartelizeinthebiddingprocess.
 - (c) The Bidder(s)/Contractor(s) will not commit any offence under the relevant IPC/PC Act. Further the Bidder(s)/Contract(s) will not use improperly, (for the purpose of competition or personal gain), or pass on to others, any information or documents provided by the Principal/Owner as part of the business relationship, regardingplans, technical proposals and business details, including information contained or transmitted electronically.
 - (d) TheBidder(s)/Contractor(s) offoreignoriginshalldisclosethenamesandaddressesofagents/representatives in India, if any. Similarly Bidder(s)/Contractor(s) of Indian Nationality shall disclose namesand addresses of foreign agents/representatives, if any. Either the Indian agent on behalf of the foreignprincipal or the foreign principal directly could bid in a tender but not both. Further, in cases where anagent participate in a tender on behalf of one manufacturer, he shall not be allowed to quote on behalf ofanothermanufactureralongwiththefirstmanufacturerinasubsequent/paralleltenderforthesameitem.
 - (d) The Bidder(s)/Contractor(s) will, when presenting his bid, disclose any and all payments he has made, iscommitted to or intends to make to agents, brokers or any other intermediaries connection with theawardof the Contract.
- (3) The Bidder(s)/Contractor(s)will not instigate third persons to commit offences outlined above or be an accessorytosuch offences.

- (g) Nosmokingoropenflamesshallbeallowednearthe blockedmanholebeingcleaned.
- (h) The malba obtained on account of cleaning of blocked manholes and sewer lines should beimmediatelyremovedtoavoidaccidentsonaccountofslipperynatureofthemalba.
- (i) Workers should not be allowed to work inside the manhole continuously. He should be givenrest intermittently. The Engineer-in-Charge may decide the time up to which a worker may beallowedtoworkcontinuouslyinside the manhole.
- () GasmaskswithOxygenCylindershouldbekeptatsiteforuseinemergency.
- (k) Air-blowers should be used for flow of fresh air through the manholes. W henever called for, portable air blowers are recommended for ventilating the manholes. The Motors for these shallbe vapour proof and of totally enclosed type. Non sparking gas engines also could be used butthey should be placed at least 2 metres away from the opening and on the leeward sideprotected from wind so that they will not be a source of friction on any inflammable gas that might be present.
- (I) The workers engaged for cleaning the manholes/sewersshould be properly trained beforeallowingtoworkinthemanhole.
- (m) The workers shall be provided with Gumboots or non sparking shoes bump helmets and glovesnon sparking tools safety lights and gas masks and portable air blowers (when necessary). They must be supplied with barrier cream for anointing the limbs before working inside thesewerlines.
- (n) W orkmen descending a manhole shall try each ladder stop or rung carefully before putting his full weight on it to guard againstinsecure fastening due to corrosion of the rung fixed tomanholewell.
- (o) If a man has received a physical injury, he should be brought out of the sewer immediately and adequate medical aid should be provided to him.
- (p) The extent to which these precautions are to be taken depend on individual situation but the the the the tension of the Engineer-in-Charge regarding the steps to be taken in this regard in an individual casewill be final.
- (vi) The Contractor shall not employ men and women below the age of 18 years on the work of paintingwith products containing lead in any form. W herever men above the age of 18 are employed on theworkofleadpainting, the following precaution should be taken:-
 - (a) No paintcontaininglead or lead productsshall be usedexceptin the form of paste or readymadepaint.
 - (b) Suitableface masks should be supplied for use by the workers when paint is applied in the form of spray or a surface having lead paint is dry rubbed and scrapped.
 - (c) Overallsshallbesuppliedbythecontractorsto theworkmenandadequatefacilitiesshallbeprovidedtoenabletheworkingpainterstowashduringand onthecessationofwork.
- 9. An additional clause (viii)(i) of Puducherry Smart City Development Limited Safety Code (iv) the Contractorshall not employ women and men below the age of 18 on the work of painting with product containing lead in any form, wherever men above the age of 18 are employed on the work of lead painting, the following principles must be observed for such use:
 - (i) W
 - hitelead, sulphateofleador product containing these pigment, shall not be used in painting operation except in the form of pastes or paint ready for use.
 - (ii) Measuresshall be taken, whereverrequired in order to prevent danger arising from the application of a paint in the form of spray.
 - (ii) Measuresshall be taken, whereverpracticable, to prevent danger arising out of from dust caused by dryrubbing down and scraping.
 - (v) Adequatefacilitiesshallbeprovidedtoenableworkingpainterstowashduringandoncessationofwork.
 - (v) Overallshallbewornbyworkingpaintersduringthewholeofworkingperiod.

PSCDLSAFETYCODE	PSCDL

- (vi) Suitable arrangementshall be made to prevent clothingput off during workinghours being spoiledbypaintingmaterials.
- (vii) Casesofleadpoisoningandsuspectedleadpoisoningshallbenotifiedandshallbesubsequentlyverifiedby medicalmanappointedbycompetentauthorityofC.PSCDLPSCDL(DA).
- (vii) PSCDL./PSCDL(DA)mayrequire,whennecessarymedicalexaminationofworkers.
- (x) Instructionswithregardtospecialhygienicprecautionstobetakeninthepaintingtradeshallbedistributedto workingpainters.
- 10. W hen the work is done near any place where there is risk of drowning, all necessary equipments should be provided and kept ready for use and all necessary steps taken for prompt rescue of any person indanger and adequate provision, should be made for prompt first aid treatment of all injuries likely to beobtainedduringthecourseof thework.
- 11. Use of hoisting machines and tackle including their attachments, anchorage and supports shall conformtothe followingstandardsorconditions:
 - i) (a)These shall be of good mechanical construction, sound materials and adequate strength and free from patent defects and shall be keptrepaired and ingood working order.
 - (b)Every rope used in hoisting or lowering materials or as a means of suspension shall be ofdurablequalityandadequatestrength,andfreefrompatentdefects.
 - (i) Every crane driver or hoisting appliance operator, shall be properly qualified and no person under theage of 21 years should be in charge of any hoisting machine including any scaffolding winch or givesignalsto operator.
 - (ii) In case of every hoisting machine and of every chain ring hook, shackle swivel and pulley blockused in hoisting or as means of suspension, the safe working load shall be ascertained by adequatemeans. Every hoisting machine and all gear referred to above shall be plainly marked with the safeworking load. In case of a hoisting machine having a variable safe working load each safe workingload and the condition under which it is applicable shall be clearly indicated. No part of any machineor any gear referred to above in this paragraph shall be loaded beyond the safe working load exceptforthepurposeoftesting.
 - (iv) In case of departmental machines, the safe working load shall be notified by the Electrical Engineerin-Charge. As regards contractor[®]smachines the contractors shall notify the safe working load of the machine to the Engineer-in-Charge whenever he brings any machinery to site of work and get itverified by the Electrical Engineer concerned.
- 12. Motors, gearing, transmission, electric wiring and other dangerous parts of hoisting appliances shouldbe provided with efficient safeguards. Hoisting appliances should be provided with such means as willreduce to the minimum the risk of accidental descent of the load. Adequate precautions should be takento reduce to the minimum the risk of any part of a suspended load becoming accidentally displaced. When workers are employed on electrical installations which are already energized, insulating mats, wearing apparel, such as gloves, sleeves and boots as may be necessary should be provided. Theworker should not wear any rings, watches and carry keys or other materials which are good conductorsofelectricity.
